

The Blossoming of Life

There is a love we long for all our lives
It is the soul's gentle caress upon the body
When we surrender our bodies to the earth
You will find another path
Within us, paths connect to one another
Yet they remain unspoken
We await inspiration; the sense of sacredness suffices
When we meet and come together, it is a healing.
At the moment consciousness opens, we feel the bond of our friendship
The ocean of wisdom becomes our vast field to wander
What is it that awakens our souls with such delight?
A breeze at dawn lifts the veil from our faces
The heart is perfected, like a gem from the mountains
When the body becomes the soul, why is surrender so effortless?
Let love lead your soul, making it a sanctuary

新時代

當你內在感到快樂
你才能吸引快樂
當你無懼的追求生命
生命將回報你豐盛與巨大的成功
信任宇宙中充滿了愛
周圍都是愛的旋律
我也變成了愛的音符
在愛的協奏曲中舞動
我沐浴在溫暖之中
新地球人類尊重地球本身的韻律
尊重自己及外在世界的自然本性
一切萬物在最深層面上都是一體的
透過意識之網
互相連結
新時代會從你心靈的愛與和諧之中誕生
你心中有個敞開的空間
感受這個空間的寂靜
柔和與開放
這是你和宇宙之心的連結
你也是一輪太陽
你的靈魂是太陽
你來自無窮無盡
無始無終的生命源泉
正在宇宙中散發自己獨特的光芒

The New Era

When you feel happy inside
Only then can you attract happiness
When you fearlessly pursue life
Life will reward you with abundance and great success
Trust in the universe, filled with love
The melody of love surrounds you
I, too, become a note of love
Dancing in the concerto of love
I am bathed in warmth
The new earth's people respect the earth's own rhythm
Respecting our own and the external world's inherent nature
All things are one at the deepest level
Through the net of consciousness
Connect to each other
A new era will be born from the love and harmony of your heart
There is an open space in your heart
Feel the silence of this space
Softness and openness
This is the connection between you and the heart of the universe
You are also a sun
Your soul is the sun
You come from the limitless and boundless
The timeless source of life
Radiating your unique light in the universe

The background of the page is a photograph of a sunset over a beach. The sky is a mix of blue, orange, and yellow, with some clouds. In the foreground, the wet sand of the beach is visible, and several people are walking away from the camera towards the ocean. Their silhouettes are reflected in the wet sand. The overall mood is peaceful and contemplative.

The Song of Eternal Life

Grateful to heaven and earth, for the all things bestowed
True love lasts forever
Open your heart, live with courage
Dare to trust in life
Together we unite, hand in hand, heart to heart
We recollect our glorious memories
Together, we create marvels and wonders
A perpetual golden era
Brimming with light, peace, and abundance
Life continues forever
In this wonderful world, leave space
Let the inner sun shine its light
Born from love, to love we return
Divine love passes on forever
We shine as one, integral in wholeness
This consciousness reappears on earth
